***"Economic
Success Is Our
Strength"***

OUR MISSION:

The mission of the World Hindu Economic Forum (WHEF) is to bring together financially successful entrepreneurs within the Hindu Society so that each group can share their business knowledge, experience and resources with their fellow Hindus. The end goal is to generate surplus wealth and make society prosperous.

This is the 5th Annual WHEF Conference and it promises to be a great opportunity for Hindu businessmen to network and collaborate.

Delegates from all over the world (60+ countries) are expected to attend.
